Burstow & Smallfield

## New Car Parking in Smallfield

- Project led by Burstow Parish Council to create additional car parking in the centre of the village adjacent to the shops.
  - This will use only a small part of the school playing field.
- The School Governors have approved the proposal, and negotiations with Tandridge DC Planning and Surrey CC Highways are well underway.
  - Car park will provide in the region of 60 places.
- Planning Application to be submitted to Tandridge DC no later than January 2018.
